Dr. Hildegarde Sergeant *"Preparing the Way of the Lord"* Is. 40:3

Rev. Bruce Sergeant

Everyone is busy – too busy! And most likely the thought of adding one more thing to your already full plate is too difficult. But I'd like you to consider – what is on your plate?? Does some of it need to go? Is your personal God-walk slipping?

I've heard the expression, 'too blessed to be stressed.' But is it really true. Isn't stress a normal reality in our lives and according to doctors, necessary for our body. Stress factor is really stretching. **But are you stretching in the right areas? And are you stretching your faith – your walk with the Lord, your study of the Word of God.**

Why not set goals instead for your spirit, soul and body. Set short term goals, ie 6 week, then six month, and if you're able – one year goals. **Life today is a result of the decisions we have made in all our yesterdays.**

If you take a moment, sit down and ponder, "where am I going?" You may discover that what you are doing is not lining up with your heart dreams and desires. There are many roads in life and we choose one every day. I choose to travel the high road, the narrow road. Even with the horrific loss to me and my family; I AM DETERMINED TO SET A COURSE AND TO RUN THE RACE AND WIN THE PRIZE OF THE HIGH CALLING OF CHRISTLIKENESS! AS FOR ME, I WILL BEHOLD THY FACE IN RIGHTEOUSNESS; **I SHALL BE SATISFIED, WHEN I AWAKE WITH THY LIKENESS.**

Why not consider taking a course or two at **The Love of God School of Ministry.**
